Section 1. Important things to know

This Annual Notice of Changes is only a summary (See your Evidence of Coverage for the details.)

This Annual Notice of Changes gives you a summary of the changes in your benefits and what you will pay for these services in 2010.

- To get the details, you can look in the 2010 Evidence of Coverage for **Medco Medicare Prescription Plan** (PDP). The Evidence of Coverage is the legal, detailed description of your benefits and costs for 2010. It explains your rights and the rules you need to follow to get your prescription drugs. (We have included a copy of the Evidence of Coverage in the same envelope with this Annual Notice of Changes. If you do not have this copy, call Customer Service.)
- If you have questions or need more information, you can always call Customer Service at **1-800-592-4520**. TTY/TDD only, call **1-800-716-3231**. Our business hours are 24 hours a day, 7 days a week (except Thanksgiving and Christmas), and calls to these numbers are free. Customer Service is available in English and other languages.

There are programs to help people with limited resources pay for their prescription drugs

You might qualify to get help in paying for your drugs. There are two basic kinds of help:

- **“Extra Help” from Medicare.** This program is also called the “low-income subsidy,” or LIS. People whose yearly income and resources are below certain limits can qualify for this help. See Section III of the new “Medicare & You 2010” handbook or call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.
- **Help from your state’s pharmaceutical assistance program.** Many states have State Pharmaceutical Assistance Programs (SPAPs) that help some people pay for prescription drugs based on financial need, age, or medical condition. Each state has different rules. Check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in **Chapter 2, Section 3** of your Evidence of Coverage).

What if you are currently getting help to pay for your drugs?

If you already get help paying for your drugs, **some of the information in this Annual Notice of Changes is not correct for you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (LIS Rider), that tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (LIS Rider). Phone numbers for Customer Service are on the front cover.

Section 2. Changes to your monthly premium

Your monthly premium for your Medicare Supplement plan includes the Medicare Part D prescription benefit as well as medical coverage. TVA will send you a letter in late October with your 2010 Medicare Supplement premium.

This monthly premium amount does not include any late enrollment penalty you may be responsible for paying (see **Chapter 4** in the Evidence of Coverage (EOC) for more information).

Section 3. Part D prescription drugs: Changes to your benefits and what you pay

Changes to your benefits

Medco Medicare Prescription Plan (PDP) has a “List of Covered Drugs (Formulary)” – or “Drug List” for short. It tells which Part D prescription drugs are covered by the Plan. (**Chapter 3, Section 1.1** of your Evidence of Coverage explains about Part D drugs.)

We may make changes to the plan’s Drug List from time to time throughout the year. In addition, there are a number of changes to the Drug List that will take effect on January 1, 2010. Changes to the plan’s Drug List have been approved by Medicare.

- **We have added some new drugs to the list and removed others.**
- We have added some new drugs that became available.
- We have replaced some brand-name drugs with new generic drugs.
- We have replaced some expensive drugs with less costly drugs that have been shown to work just as well or better.
- We have removed a few drugs due to safety concerns or because medical research has shown they are not effective.
- **We have added some new restrictions to certain drugs and reduced the restrictions on others.** Restrictions can include a requirement to get plan approval in advance or to try a different drug first to see how well it works. Restrictions can also include limits on the quantity of the drug.

Please check to see if any of these changes to drug coverage affect the drugs you use.

- You can look for your drugs on the Drug List we sent with this Notice of Change. If you can’t find some of your drugs on this Drug List, you can call Customer Service for help finding your drugs.

Changes to what you pay

The chart on the following pages summarizes changes to what you will pay as your share of the cost of covered prescription drugs. These changes affect Part D prescription drugs only.

- Every drug on the plan's Drug List is in one of our four cost-sharing tiers. Medicare allows us to **change what you pay for a drug in each cost-sharing tier** only once a year. The changes shown on the following pages will take effect on January 1, 2010, and stay the same for the entire plan year.
- Besides the changes to co-payments or coinsurance you see below, there is another change that could affect what you pay for your drugs next year. **We have moved some of the drugs on the Drug List to a different cost-sharing tier.** Some drugs will be in a lower cost-sharing tier; others will be in a higher cost-sharing tier. To see if any of your drugs have been moved to a different cost-sharing tier, look them up on the Drug List.

What if changes for 2010 affect drugs you are taking now?

What if a drug you are taking now is not on the Drug List for 2010?

What if it has been moved to a higher cost-sharing tier?

What if a new restriction has been added to the coverage for this drug?

If you are in any of these situations, here's what you can do:

- In some situations, the Plan will cover a **one-time, temporary supply** of your drug when your current supply runs out. This temporary supply will be for a maximum of 30 days, or less if your prescription is written for fewer days. **Chapter 3, Section 5.2** of your Evidence of Coverage explains when you can get a temporary supply and how to ask for one.

Meanwhile, you and your doctor will need to decide what to do before your temporary supply of the drug runs out.

- **Perhaps you can find a different drug** covered by the Plan that might work just as well for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your doctor or other prescriber to find a covered drug that might work for you.

Section 4. Do you want to stay in the Plan or make a change?

Do you want to stay with *Medco Medicare Prescription Plan (PDP)*?

If you want to keep your membership in **Medco Medicare Prescription Plan (PDP)** for 2010, it's easy. You don't need to tell us or fill out any paperwork. **You will automatically remain enrolled in your group plan as a member.**

Do you want to make a change?

If you decide to leave **Medco Medicare Prescription Plan (PDP)**, you can switch to a different Medicare prescription drug plan, Original Medicare without a separate Medicare prescription drug plan, or a Medicare Advantage Plan. Please ensure you understand the implications of disenrollment to your other plan benefits.

TVA retirees (or eligible dependents) may disenroll from this Plan at any time. Disenrolling from this Plan will cancel prescription drug coverage as well as medical coverage in the TVA-sponsored supplement plan. If a retiree disenrolls from this Plan, coverage for all dependents will also end. If a retiree disenrolls from the TVA-sponsored plan, the retiree will not be able to reenroll in a TVA plan in the future. Call the TVA Service Center at 1-888-275-8094 with questions about enrolling or disenrolling.

If you have any questions regarding your coverage or on how to make a change, please contact **Medco Medicare Prescription Plan (PDP)** Customer Service at the numbers listed on the cover of this booklet.

When can you change?

- During the **yearly enrollment period (called the “Annual Coordinated Election Period”) from November 15 through December 31, 2009**, you can change to another Medicare prescription drug plan, Original Medicare without a separate Medicare prescription drug plan, or a Medicare Advantage Plan.
- As an Employer Group Waiver Plan member, you have access to a special election period, too. There are specific qualifications for a special election period, and to get more details on this, please refer to your Evidence of Coverage, **Chapter 8**. Your new coverage will begin on January 1, 2010.

Are these the only times of the year to choose a different plan?

For most people, yes. Certain individuals, such as those with Medicaid, those who get Extra Help paying for their drugs, or those who move out of the geographic service area, can make changes at other times. For more information, see **Chapter 8, Section 2.3** of the Evidence of Coverage.

How do you make a change?

See **Chapter 8** of the enclosed Evidence of Coverage document. It tells what you need to do to make a change from **Medco Medicare Prescription Plan (PDP)** to another plan.

Things to check on before you make a change

- **Are you a member of an employer or retiree group?** If you are, please check with the benefits administrator of your employer or retiree group before you switch to another way of getting your coverage, as the change may impact your medical coverage as well.
- **Are you getting help with paying for your drugs from a State Pharmaceutical Assistance Program (SPAP)?** If you are, please check with this program before switching to another prescription drug plan. The phone number for your State Pharmaceutical Assistance Program is listed in **Chapter 2, Section 7** of the Evidence of Coverage.
